F-1 or J-1 visa holders that have applied for a change of nonimmigrant classification to permanent resident should complete and submit this form to the International Services Center (ISC) with the appropriate documentation as listed below.

- I would like to maintain my F-1 or J-1 status while awaiting permanent residency status.  
Required documentation: I-485 receipt notice or permanent resident card

General Considerations

I understand that I will be unable to claim any benefits associated with an application for permanent residency such as in-state tuition while I maintain F-1/J-1 status. I understand that I must abide by all F-1 or J-1 regulations.

- I would like to be considered an applicant for permanent residency. I do not want to maintain my F-1 or J-1 status. I understand that my I-20/DS-2019 will be terminated in SEVIS. I understand that I will lose all benefits associated with my F-1 or J-1 status.  
Required documentation: I-485 receipt notice or permanent resident card.

Employment/Taxation Considerations

1. I understand that if I am working on campus, I must have an employment authorization card or permanent resident card to continue employment. I must present the original card to the Employment Coordinator at ISC.
2. I understand that Social Security and Medicare taxes may be deducted from my paycheck.
3. I understand that I will lose any tax treaty benefits (if applicable).
4. I understand that I may work more than 20 hours per week on campus if I have an employment authorization card or permanent resident card (Graduate students cannot work more than 20 hours per week unless an Excess Hours Form has been approved by Graduate Studies).

- I have had a change of nonimmigrant status to \_\_\_\_\_ (please indicate new immigration status) and would like to terminate my I-20/DS-2019.  
*Required documentation: New I-94 card (notice of action) or new visa stamp in passport.*
