# *PRE-SUBMITTED QUESTIONS*

---

# ***WHEN UCF TRANSITIONS TO ONLINE***

## AFTER THANKSGIVING, DO I HAVE TO DEPART THE U.S.?

---

- **No.** Since the July 6 SEVP guidance was rescinded, we are operating under the assumption that students may take all of their courses online\*. Therefore, the transition to online after Thanksgiving will not be a problem.

*\*This information is subject to change pending new guidance from SEVP.*

# DO I HAVE TO DEPART THE U.S.?

---

- **No.** If you meet the *enrollment requirements* and are maintaining your F-1 status, you are not required to depart the U.S.

# *I'M BACK HOME AND CANNOT RETURN CAN I STILL TAKE CLASSES?*

---

- **Yes.** You should enroll full-time in online classes from outside of the U.S. in order to maintain an Active SEVIS record.\*
- If you want to take less than a full course load, you will either need to request a Reduced Course Load (if applicable to your situation) or submit the Exit Form to UCF Global by **August 24** to request Authorized Early Withdrawal. If you submit the Exit Form, you will need to request a new I-20 to return to the U.S. in a future semester.

*\*This information is subject to change pending new guidance from SEVP.*

# *I'M BACK HOME AND WANT TO RETURN TO THE U.S. BUT THERE ARE TRAVEL RESTRICTIONS WHAT ARE MY OPTIONS?*

---

- You should enroll full-time in online classes from home to keep an active SEVIS record.\*
- If you do not want to enroll full-time, you will need to submit the Exit Form to UCF Global by **August 24** to request Authorized Early Withdrawal.
  - You will need to request a new I-20 to return to the U.S. in a future semester.

*\*This information is subject to change pending new guidance from SEVP.*

# DOES MY SEVIS RECORD STATUS AFFECT MY ABILITY TO TAKE CLASSES?

---

- **No.** Your **SEVIS** record status does not affect your ability to enroll in classes, earn academic credit, make progress in your degree, or earn your diploma. Your academic status is independent of your **SEVIS** record status however your **SEVIS** record depends on your academic status and enrollment.

# WHAT ARE MY OPTIONS IF I BECOME ILL OR IF I HAVE A HEALTH CONDITION?

---

- If you have a documented illness or medical condition that restricts your ability to take classes, you can request a Reduced Course Load (RCL) based on the recommendation of your medical doctor or licensed clinical psychologist.
- An RCL could enable you to take as few as zero classes based on your doctor's recommendation. Submit the RCL Form and required doctor's note to UCF Global by the Fall 2020 add deadline.

# *I WANT TO RETURN HOME BUT MY COUNTRY'S BORDERS ARE CLOSED WHAT SHOULD I DO?*

---

- We recommend that you contact your country's embassy. Many countries have organized repatriation flights for their citizens. If you are unable to return home, we recommend that you enroll full-time in courses to maintain your F-1 status.

# *DOES THE MARCH 2020 SEVP GUIDANCE IMPACT OPT & STEM OPT STUDENTS?*

---

- **No**, the March 2020 SEVP Guidance does not impact students on OPT or STEM OPT. Students on OPT and STEM OPT are not required to enroll in courses since you maintain F-1 status through your employment.

# *WHEN REGISTERING FOR CLASSES, I GET A POP-UP ALERT MESSAGE REGARDING ENROLLMENT REQUIREMENTS WHAT SHOULD I DO?*

---

- All international students should receive an automated pop-up alert when registering for classes. This is just a reminder about the enrollment requirements for F-1 students. Since we are operating under special guidance for Fall 2020 due to COVID-19, you can disregard the message.

# WHAT WILL HAPPEN IF UCF GOES FULLY ONLINE?

---

- While we don't anticipate this happening, every effort will be made to ensure our international students can maintain their immigration status inside the U.S. Since the July 6 SEVP guidance requiring in-person enrollment was rescinded, we do not anticipate that this would be a problem should courses be moved online\*.

*\*This information is subject to change pending new guidance from SEVP.*

# *WHEN WILL UCF SEND ME THE UPDATED I-20 MENTIONED IN THE JULY 6 GUIDANCE?*

---

- Since the July 6 Guidance was rescinded, UCF Global will not be sending updated I-20s indicated in that guidance.
- If SEVP releases additional guidance that requires schools to issue updated I-20s, UCF Global will provide the required I-20 to students as indicated in the new guidance.

# *I AM TRAVELING BACK TO THE U.S. SOON* DO I NEED TO SELF-QUARANTINE UPON ARRIVAL?

---

- **Yes**, UCF is following the CDC guidelines for returning from international travel. The guidelines include staying home for **14 days** to monitor your health. Students should not return to campus until after the **14 days**.

# DOES THE JULY 6 GUIDANCE APPLY TO J-1 VISA HOLDERS?

---

- **No**, the rescinded July 6 SEVP guidance does not apply to J-1 visa holders however, Department of State guidance for J-1 visa holders is very similar. J-1 visa holders may enroll in online classes\*.

*\*This information is subject to change pending new guidance from the Department of State.*

## *DOES THE GUIDANCE AFFECT MY ABILITY TO APPLY FOR CPT OR OPT?*

---

- **No**, as long as you remain in the U.S., are enrolled full-time, and are maintaining F-1 status, the guidance does not impact your ability to apply for Curricular Practical Training (CPT) or Optional Practical Training (OPT).
