Prevention and Demand Reduction

-
-
- **FEBRUARY 2** 12:00PM - 1:15PM
TINYURL.COM/
HUMAN-TRAFFICKING-AWARENESS-3

We will focus on efforts to prevent recruitment of victims, as well as programs designed to reduce the demand for services of trafficked persons.

Special guest speakers include: Ms. Katherine Gomez from the Florida Department of Juvenile Justice, and Dr. Roberto H. Potter, the Director of the HTMS Center at UCF

The **Human Trafficking Awareness Month "Lunch and Learn"** series for 2021 will focus on sex trafficking. Discussions will take participants from an emerging area of risk - social media - through activities designed to reduce the likelihood of being trafficked and reducing demand for trafficked persons to programs that offer hope for persons recovered from trafficking experiences.

This event is also being livestreamed on the **UCF Global YouTube channel**. This is an open forum, all are welcome to attend.
