Registration Required!

Join us for Global Grassroots Sustainability: Models for Action as we explore how three organizations continue to take action, create community awareness about environmental issues, and promote sustainable local economies. This virtual event is organized by the UCF Office of Global Perspectives & International Initiatives.

The panel will bring together trailblazing environmental and sustainability champions including:

**Dr. Yossef Ben-Meir**

*President of the High Atlas Foundation*

**Dr. Arturo A. Massol-Deyá**

*Executive Director of Casa Pueblo de Adjuntas*

**Bill Dale**

*Founder and CEO of Beach Buddies*

The panelists will address the work their organizations are undertaking in Morocco, Puerto Rico, and Isle of Man, and how their experiences could lead to successful sustainability efforts elsewhere.

Submit questions beforehand at:
